Foundation Apprenticeship - Engineering	Foundation Apprenticeship – IT Software Development
Foundation Apprenticeship – Creative & Digital Media	
Foundation Apprenticeship – Food & Drink Technologies	
One year Delivery (Tick)	Two Year Delivery (Tick)

# Senior Phase Options form and rationale

The Senior Phase timetable is made up of 33 periods, these include 1 period of Core PE, 1 period of RE/RME and 1 period of PSE. The number of subjects a pupil would normally choose is as follows:

S4 – 6 subjects/combination of subjects and certificated/integrated work experience.

S5 – 6 subjects (unless doing 5 Highers)/combination of subjects and certificated/integrated work experience.

S6 – 5 subjects/combination of subjects and certificated/integrated work experience.

With this in mind a choice should be made from each column and the table below completed. The subjects across all columns are offered at a number of SCQF levels to allow young people to make the most of their Senior Phase (S4-S6) and accumulate as many relevant qualifications as possible. Type a capital 'X' in the box beside each of your choices. Please remember to fill in your personal details, discuss your choices with your parents and your Guidance Teacher.

**Any pupils who are selecting a course that is delivered by V-Scene will be expected to sign a behaviour agreement and should understand that their continued presence on the course will be tied to this.**

Name:		Year:	
Column	Subject	SCQF/Qualification Level (e.g. H, N5)	Teacher Agreement (should be signed once a level has been agreed).
